NOMINATE YOUR LOCAL HEROES!**

We are looking for nominations for the **Outstanding Sporting Achievement** in Richmond upon Thames Community Heroes' Awards.

This is for those whose efforts and achievements in sport vitalise communities, bring people together and support physical and mental wellbeing or those who have achieved significant sporting success representing the borough.

We would like to ask for your support to promote the Awards, and of course for you to nominate anyone who you think deserves recognition for what they do.

Below is content that you can use to promote the awards on your social media.

The deadline for nominations is **10 July 2019**.
